We were established in 1985 to adorn and add enjoyment to each moment of life

DOĞUŞ TEA

Entering the tea sector with the production of bulk tea in 1985, Doğuş Çay continued its investments in the production of tea bags, green tea, and herbal & fruit teas in the following years. With five tea processing facilities and one tea packaging facility in Rize, and one tea packaging facility in Ordu, Doğuş Çay has a production capacity of 50,000 tons. Thanks to its dynamic structure that quickly adapts to innovations and its commitment to continuous development, Doğuş Çay holds a leading position in Turkey's private tea sector.

DOĞUŞ CHIPS

Entering the chips category with an international acquisition with a strategical decision in 2013, Doğuş Çay established the most modern chips facilities of Turkey in Aksaray OGS in addition the facility located in Pendik district. Producing higher-quality and completely local chips for its consumers, Doğuş Çay is a must for chips lovers while offering flavors for each taste with Patos, Cipso and Çerezos brands.

DOĞUŞ TOMATO PASTE

Expanding its operations with the establishment of a tomato paste production facility in İzmir in 2008, Doğuş Çay continued its growth through its investments in the sector and its extensive experience in agriculture. In 2024, the company further expanded its operations by acquiring a new tomato and pepper paste production facility in Karacabey, Bursa.
Deciding to consolidate its tomato and pepper paste production at a single location, the company continues its paste operations at its facility in Karacabey, Bursa, under the Doğuş Demko brand.

DOĞUŞ SUGAR

Doğuş Çay entered the sugar industry in 1994 to support its tea category and expand its product range. Becoming a sector leader in a short time, Doğuş Şeker acquired and commissioned Afyon Sugar Facility in 2018, with 150.000 tonnes annual production capacity, one of the highest production quotas for sugar factories in Turkey. Produced hands-free, Doğuş Şeker products does not leave foam and oil on the surface of tea and is one of the irreplacable tastes for consumers as the most important supplementary taste joy of tea.

DOĞUŞ BEVERAGE

Maintaining its investments in the food sector, Doğuş Çay also entered into Ice Tea and Lemonade category in 2016 as a result of its long-term and intense R&D works. With its ice tea and lemonade production facility established in İzmir in 2015 with 100 million liters capacity, Doğuş Çay also showed its experience and assertion in tea market in cold bevarage category.
